

How to merge Duplicate People on Ancestry:

1. Identify the person in your tree who needs to be merged and open their fact page.
2. Directly below the information box containing the image box, the person's name, birth and death there is a tab bar containing the following information:

View in Tree • View Notes • View Comments • **Merge with Duplicate** • Save to Tree • Print • Member Connect

3. Click on **Merge with Duplicate**.
4. Select the person you want to merge. You will get one of the images below:
